

WHAT IS THE EXTENDED SERVICE PLAN?

The Good Sam Extended Service Plan is comprehensive mechanical breakdown insurance coverage for your motorhome. Both new and used motorhomes are covered up to 16 years old or 150,000 miles.

Because the Extended Service Plan is offered **directly to motorhome owners** (no middleman), we pass the savings directly on to you.

Here's why the Extended Service Plan is unique:

- **It's hassle-free!** Once your RV is at the service center, have them give us a call. We authorize repairs and pay them as soon as the job is finished so you can get on your way. It's that easy.
- **We won't leave you stranded.** With Travel Delay Assistance we reimburse you for lodging, food and even a rental car if your motorhome is disabled and unable to be driven so you can continue to enjoy your trip.
- **No Yearly Mileage Restrictions** – Travel wherever your heart takes you!
- **It's sponsored by the Good Sam Club.** The Good Sam Club has been helping RV owners for over 40 years and the Extended Service Plan is recommended by Coast to Coast Resorts, *Camping World*, *Motorhome* and *Trailer Life* magazines.
- **Satisfaction Guaranteed.** If you decide the Extended Service Plan isn't right for you – for any reason – you can cancel your coverage within the first 30 days for a full refund (less any claims paid).
- **Insurance vs. Warranty.** The Extended Service Plan is an insurance policy and NOT a warranty and complies with ALL insurance regulations.

DO YOU NEED AN EXTENDED SERVICE PLAN?

Statistics have shown that major breakdowns with costly repair bills will occur. **It's not a matter of if — it's a matter of when.** With Good Sam's Extended Service Plan you'll have comprehensive protection against mechanical breakdowns for your motorhome, fifth wheel, vehicles and trailers inside and out.

Today's motorhomes come jam-packed with all the latest "high-tech" equipment and accessories that require expert know-how and tools to fix them. A system that may have required a simple manual and a few tools to repair in the past now require years of schooling and experience.

This Extended Service Plan will provide you peace of mind that if a breakdown does occur while you're enjoying your RV the repair will be handled promptly without the worry of a major repair bill.

HOW THE PLAN WORKS.

When something goes wrong, take your motorhome to any service center of your choice in the U.S. and Canada. Once they diagnose the problem and provide you with an estimate, simply call our toll-free number. We take it from there. We work directly with the service center, authorize covered repairs and provide **immediate payment (less your deductible)** after the work has been completed.

It's that easy. In a matter of minutes you're free of the sudden burden and major costs of a mechanical breakdown and you can get back on the road as fast as possible.

STILL UNDER MANUFACTURER'S WARRANTY?

- **The Extended Service Plan begins where the manufacturer's warranty leaves off.** This dovetailing ensures that you have continued coverage on **ALL** components.
- **Continuous Coverage.** Your motorhome has many different components. Different appliances and systems with many different manufacturers that have warranties with varying expiration dates. The Extended Service Plan eliminates the headache of keeping track of all these warranties by placing everything under one umbrella policy, providing **continuous coverage** for all your major components.

ERASE THE ODDS OF COSTLY REPAIRS.
